## EVENT INFORMATION

### About Cornucopia

Cornucopia represents the harvesting of our rich artistic, cultural, and ethnic diversity in our unique Berkeley enclave! West Berkeley's only arts and crafts festival unites residents, artists, and independent businesses in a celebration of qualities and values that make West Berkeley thrive. Cornucopia brings together a variety of entertainment, art activities, art and food vendors, and residents that represent the abundance of talent and diversity within our neighborhood.

### Event Location

The event will take place on 7<sup>th</sup> Street between University Ave. and Addison St. outside Black Pine Circle School's middle school campus at 2016 7<sup>th</sup> Street.
